

# GENUINE LEARNING ACADEMY NEWSLETTER

## IMPORTANT DATES:

**March 1:** Fire Drill

**March 5:** Half Day

**March 12:** Report Cards

Distributed

**March 17:** St. Patrick's Day

**March 15-26:** March Break

Dear GLA Parents and Guardians,

March 12, 2021

Spring break is here and provides us all with the opportunity to reflect, rest and spend quality time with our friends and family. During this time, we ask your child to reflect on the following areas:

- + What important things have I learnt so far this year?
- + What do I still want to learn?
- + What goals have I set myself for the next quarter?
- + How do I achieve these goals?

You will have received your child's report card for this quarter. This provides you with a good opportunity to celebrate your child's learning and discuss areas that your child would like to work on in the next quarter. We know that this is a short break and encourage your child to read during this time. Learners that read regularly have been found to do better throughout their school years and we ask that you help us in fostering this habit.

After the break, our talented team at GLA will be working on developing their core competencies with a focus on literacy and numeracy. We look forward to working with each learner to achieve their goals for the next quarter.

May you be blessed and stay safe during this time.

Respectfully,

*Mrs. Imbrailo*

## INTRODUCTION

I would like to take this opportunity to introduce myself, Mrs. Nicole Imbrailo, as the new principal at GLA.

I have 10 years' experience as an educator and leader within the field. I have a master's degree in Education, specialising in assessment and teaching practices within a multicultural context. My other areas of experience include Psychology, Communication, Inclusive education, and Teaching Studies. I have worked as the Program Manager for the Faculty of Education at an independent institution in South Africa for 4 years prior to coming to Canada.

I am a bible believing Christian and will work hard to achieve the mission set out by GLA – to raise and empower future leaders in preparation for an everchanging world. I look forward to getting to know each and every learner and working with them to achieve their future goals at GLA.

### REMEMBER THE HEALTH CHECK APP!

There is a new daily health check app that the BC government has recently put out. Please go to <https://www.k12dailycheck.gov.bc.ca/healthcheck?execution=e1s1>

We are reminding families to be vigilant and keep their child/children home when they are sick. Bringing a sick child to school allows for the spread of germs and puts other children at risk of getting sick. Please notify the teachers of any absences. We thank you for your cooperation. Please continue to assess your child daily for symptoms such as sore throat, cough, fever, headache, difficulty breathing, vomiting or diarrhea.

The last week of school we learnt a lot and had a lot of fun!

We had piano lessons

Improved our literacy

Played games and built puzzles

Enjoy spring break!
